

I support this petition and request the FCC maintain Morse requirements for General and Extra licenses.

1. Technicians should get HF digital privileges in the Novice Bands

2. Written exams should emphasize technical questions more, especially for General and Extra Class, and topics should be updated. They give some specific examples in paragraphs 24 and 26 of the petition.

3. Stop instant re-tests at VE sessions.

Thank You Charles A. Lemarbre W8VOM
